DATE CHANGE NOTICE!

Due to getting the deck prepared for the season, we are changing the date of the window washing.

We will start (weather permitting) on Monday, May 14, 2018, and end on Tuesday, May 15, 2018.

Make sure all of your windows are completely closed so, the cleaners can do a good job for you!

We are very sorry for the change of plans but, we are running short of time on the proposed opening of the deck. We know that opening the deck is very important to everyone! And a lot more exciting than clean windows!

Thank you for your cooperation!

Shlomo Osher, Property Manager
